To CCCAA:

As the Member of Provincial Parliament for Nepean, I am honoured to send my greetings to the organizers and attendees as you gather to celebrate the 52nd Anniversary Celebration of the Canada-China Diplomatic Relations and the Mid Autumn Festival. I regret I am unable to participate due to prior commitments.

Today's event is a wonderful occasion to celebrate this important milestone of the diplomatic relations between Canada and China. Your efforts and commitment to strengthening the cooperation between the two countries is appreciated by our community of Nepean.

The Mid-Autumn festival is a celebration that traces its roots back more than a thousand years. It is more than just a celebration; it is one of the most important holidays in Chinese culture. It is a time for us to come and cherish Chinese culture and tradition. I am sure that your event will showcase the incredible talents of youth and promote intercultural learning and sharing.

Thank you to all the hard-working organizers and volunteers who made this event possible. Please accept my sincerest wishes for a memorable anniversary and most successful event.

Kindest regards,

Lisa MacLeod, MPP
